# USAID Implementing Partner Solution Platform Networks

OHA is coordinating with Implementing Partners and Mission staff to find and share operational solutions in response to COVID-19 Guidance

## Why?

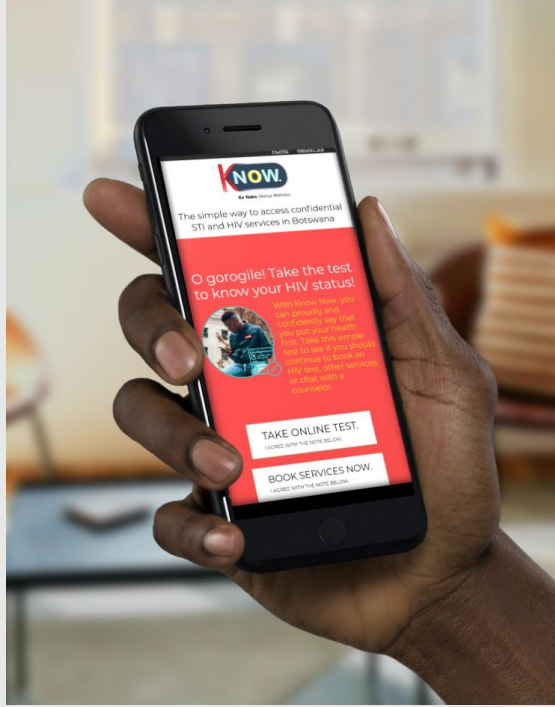

- Objective of these calls is to rapidly identify solutions being implemented by partners in response to COVID-19 guidance for sharing and appropriate adaptation and use.
- Solutions should not be viewed as official USAID guidance or recommendations.

# USAID Implementing Partner Solution Platform Networks

The next round of topics will begin in mid-May (to be scheduled) covering the topics of:

- Barriers/Bottlenecks
- Strategic Information Solutions and PEPFAR/COVID 19 Analytics
- Orphans and Vulnerable Children Program Solutions
- Gender Based Violence Program Solutions
- Follow-up on Supply Chain Solutions
- Risk Communication and Community Engagement Program Solutions
