May 27 release: Updated guidance on Personal Protective Equipment (PPE)

Agency Task Force COVID updates

The USAID Task Force recently collaborated with the Agency Front Office, M/OAA, and PPL to host three calls with implementing partners. Topics included USAID's COVID-19 response, the America Acts campaign, and the Agency's Over the Horizon efforts. Partners can find a copy of the presentation [here](#).

The Task Force also issued updated [guidance](#) regarding PPE and Covered Materials for implementing partners, as well as a set of [FAQs](#) to help with any questions staff or implementing partners may have. The updated guidance includes additional information on how to make determinations under exception 1 and exception 2, more flexibility on regional procurement, and updates to redirection processes for PPE.
